

5-DAY EARLY ENTRY PACKAGE INSTRUCTIONS

We hope you are looking forward to having a great time in Chicago. We know Chicago 2023 will be a great event. Here are some tips to make your National Experience better. A couple of things have changed, so even if you've attended in the past, please read this information carefully.

First things first – you will need to make sure you have your eticket on your smartphone or a printed e-ticket with you to pick up your Early Entry credentials at the show. The tickets were sent as part of the email you received when you purchased your Early Entry Package. We will begin distributing credentials at 10:00AM on Wednesday 7/26. Enter the Convention Center using the Main Lobby. Look for the Kiosks which say **VIPS AND EARLY ENTRY REDEMPTION**. At that kiosk, your ticket will be scanned and you will receive your Early Entry badge. **Please make sure your 5-DAY EARLY ENTRY Badge is always visible. Only badges and wrist-banded attendees will be permitted on the show floor.** On Wednesday July 26, you may enter the show floor through VIP Entrance located near Room 14 in the Conference Center. Signs will point you to the correct location. Your badge is required for entry. At 3:30 PM, you will be permitted on the Show Floor to enjoy the **Memory Lane 43rd National Sneak Peek** until 8PM.

If you are unable to pick up your credentials on Wednesday, the procedure is still the same. Your 5-DAY EARLY ENTRY Badge will provide access to the show each morning Thursday-Sunday at 9:30 AM. Entry each morning will be from Room 14 in the Conference Center. Signs will direct you to the VIP entrance from which you can enter the Show each day.
